Health Bone Chicken Formula Dog Biscuit is another perfect treat to feed your dog as a reward. Each crunchy bite lets your dog know you care about its health. They contain all natural ingredients including super food quinoa. Quinoa is a great source of bio-available protein and it contains many ingredients that support and promote a healthy life. Quinoa is also gluten free, easy to digest and has a delicious flavour. We use other amazing super foods like chicken meal, rice and oatmeal, plus we add flax seed, rosemary, green tea and so much more. Not only are they delicious, they contain many beneficial nutrients that support the health and wellness of your dog. They are delicious and nutritious!

Health Bone Chicken Formula Dog Treat is made with ingredients that matter! Health Bone Chicken Formula's number one ingredient is chicken. Even better they are made with real chicken meal vs chicken by-product meal. Chicken meal is a high source of protein and contains many essential amino acids. Made with all natural super food ingredients, each treat is high in vitamins, minerals, essential acids, antioxidants and more. Why treat your dog to anything else but the best! Available in a variety of quantities and 2 different bone sizes – small and medium bone treats.

Health Bone Mixed Berry Flavour Dog Biscuit is a perfect treat to feed your dog as a reward. Each crunchy bite lets your dog know you care about its health. We use amazing super foods like quinoa, cranberries, blueberries, cherries, rice and oatmeal, plus we add flax seed, rosemary, green tea and so much more. Berries have high levels of antioxidants and are a rich source of vitamins C and E, and dietary fiber. Make the smart choice and give your dog a Health Bone Dog Biscuit.

Health Bone Mixed Berry Flavour Dog Treat is packed with super food ingredients! Cranberries, blueberries and cherries are some of nature's most powerful super foods. Not only are they delicious, they contain many beneficial nutrients that support the health and wellness of your dog. High in levels of antioxidants, blueberries, cranberries and cherries can help reduce heart-related problems and are also a rich source of vitamins C, E and dietary fiber. Health Bone Dog Treats are nutritious and highly digestible, so give your dog a treat they can enjoy time and time again. Available in a variety of quantities and 2 different bone sizes, small and medium bone treats.
